Property Summary GLA: 200,017

Highlights

Park Plaza is an extremely popular regional grocery-anchored center with strong national merchants. The property is located in a supply constrained area of Los Angeles, CA and has benefited from a redevelopment including a major façade renovation, reconfigured parking lot, and common area enhancements.

Trade Area

	1 Mile	3 Mile	5 Mile
Population	26,002	136,246	287,694
No. of Households	10,029	50,279	101,333
